Freshman year at Harvard was the most anticlimactic year of Danny's life. She's failing pre-med and drifting apart from her best friend. One by one, Danny is losing all the underpinnings of her identity. When she finds herself attracted to an older, edgy girl who she met in rehab for an eating disorder, she finally feels like she might be finding a new sense of self. But when tragedy strikes, her self-destructive tendencies come back to haunt her as she struggles to discover who that self really is.
